Re: Bonneville Plant
Townships 1 N., 1 & 2 South
Ranges 17, 18, & 19 W. SLBM
Tooele County, Utah

Dear Mr. Lallman:

As per the requirements of the Utah Mined Land Reclamation Act the Division of Oil, Gas, and Mining published one time, an abbreviated narrative of the extraction and reclamation plans submitted by Kaiser Aluminum and Chemical Corporation in the Salt Lake Tribune, The Tooele Transcript, Deseret News and the Tooele Bulletin on or before March 23, 1976. Since no objections of substance have been raised in the ensuing thirty (30) day period, the Division grants final approval of the reclamation plan, contingent upon the posting of a reclamation bond by Kaiser.

Enclosed please find a reclamation bond estimate prepared by the Division staff. Also enclosed is a commercial bond form. The Division will accept either a commercial bond or a binding surety agreement with the parent company, Kaiser U.S.A.

If you have any questions or comments, please don't hesitate to contact us.

Very truly yours,

James W. Carter
Engineering Geologist
